

Builder/ Developer Warranty

Dessau Ridge Lane Ltd. will warranty all 44 units in the Dessau Ridge Office Condominium Project for a period on 1 year from date of purchase. This warranty will cover all structural items, mechanical items, plumbing items, electrical items and defects in workmanship. Cosmetic Items, such as shrinkage cracks, interior paint, and other imperfections, will be identified at a buyer walk prior to closing. These items will be corrected prior to move in and will not be included in the 1 year warranty. Each buyer will receive a paint touchup kit left in the unit after closing. All plumbing, electrical, HVAC, wiring, and roofing, will be covered provided all repairs are made using the vendor that performed the original installation. In the event one of these vendors is out of business, KB Realty will determine which company shall perform the repair. All warranty requests need to go directly through KB Realty, Inc. and once determination has been made that the item is warrantable the vendor will be contacted directly by the property owner to schedule the work.
